Dear Mr. Hutchinson,

Your birthday card was a pleasant surprise.

You are also correct, it was my 85th.

Do not bother to answer because I'm now too frail and still trying to do too much to respond, but I am curious about how you knew.

And knew correctly.

I've been fortunate to make this many and have thw additional good fortune that my wife also has.

I do thank you,

Sincerely,

Harold Weisberg
